Winter is Coming

As we enter into winter, it is a good time to make preparations for snow and storms!

Look around your property, what may become a hazard buried in snow?

Is your furnace ready?

How about your Chimney?

In the event of significant snow, all vehicles need to be

Removed from streets and right of ways to facilitate safe and efficient snow removal.

Failure to do so may result in citations and or towing at the owner's expense.

Now is a great time to get rid of excess vehicles or other items that may cause winter hazards.
