CITY OF ROBERTS

STRUCTURE RELOCATION INFORMATION SHEET

PURPOSE

This application is required for any structure being moved into, out of, or within the City of Roberts. It ensures safe transport, protects public infrastructure, and verifies compliance with zoning and building requirements.

MOBILE / MANUFACTURED HOME REQUIREMENTS

This section applies only to mobile or manufactured homes.

The following are required due to City age restrictions and title verification standards:

- Title number
- HUD label or serial number
- Manufacturer
- Year built
- Age verification documentation

Applications missing required information will be considered incomplete.

RELOCATION INFORMATION

This section outlines timing and method of the move.

- Establishes scheduling for City review and coordination.
- Identifies whether special transport or escorts are required.
- May trigger additional permitting for oversize or roadway impacts.

MOVE CONTRACTOR INFORMATION

This section identifies all parties directly involved in physically moving the structure.

Includes only:

- Prime moving contractor
- Transport / hauling companies
- Crane or lifting operators
- Traffic control / escort services
- Utility disconnect/reconnect crews (move-related only)

WRITTEN RELOCATION PLAN

This plan must describe how the structure will be safely moved.

Should include:

- Transport route
- Method of relocation
- Traffic control measures
- Utility coordination
- Structural stabilization during transport
- Weather contingency planning

HAZARD MITIGATION PLAN

This section identifies risks and how they will be managed.

Common hazards include:

- Overhead utilities
- Road obstruction or damage
- Weather conditions
- Debris or material loss
- Public exposure during transport

Applicants must explain mitigation measures for each applicable risk.

CERTIFICATION

The applicant acknowledges:

- No structure may be moved without City approval
- Work may not begin prior to authorization
- No structure may be occupied until a Certificate of Occupancy is issued
- Additional permits may be required depending on scope of work
